

## Inside the Onsen

Upon entering the bath area find a vacant stool and bucket. using the bucket and the modesty towel along with the provided Body soap and shampoo rinse wash your body thoroughly. Rinse the stool after use and return the bucket and the shampoo to the original location.

Make sure the towel is rinsed before entering the bath.

**CAUTION:** When entering the bath, depending on the bath, the water maybe extremely hot, there is also a slightly cooler bath as well. If you start to feel tired or too hot please exit the bath or sit on the side of the bath to allow your bodies temperature to adjust

Do not put your towel in the bath water, fold your towel and put it on your head when in the bath or place it on the side of the bath.

When walking around the bath or changing bath types, use the towel as a modesty towel. (hold in front of your privates)

Dry as much of the excess water as possible from your body before entering the change area.

Place all wet towels in the baskets provided in the changing area before leaving. Do not put wet towels on the floor.

**Children must be accompanied by an adult at all times in the bath area.**

**No jumping is permitted into the baths, please respect other bathers at all times.**
